

## South Australian Division

### Presidents Report 1/2015

Welcome to 2015 another year and more challenges. Our biggest challenge will be to attract more members to the group. Our charter is rather broad and allows any person who has a passing interest in Aircraft and flight to qualify to be members. So start hunting!

It is with sadness that I have to advise the WAAAF Branch of our Association has made the decision to go into recession. The ladies have strongly supported the Association since 1946, some with continuing service without a break! They should be commended for their efforts. The ladies have not given up altogether as the majority of them have opted to continue their membership with our Headquarters group. Welcome to you from HQ.

A further note on membership I would like to remind all financial members of our upcoming AGM please put a note in your diary to attend and support your association. Further details are located later in this newsletter. Also while on meetings I remind you that our annual observation of the Air Force Plaques and Bomber Command ceremony will be held at Torrens Parade Ground on Sunday 31 May 2015 commencing at 1100hrs. Your support is encouraged. Another equally important date is Sunday 13 September to observe the Battle of Britain service also commencing at 1100hrs. As with the previous function, the mess will be open for light refreshments at the conclusion of these services.

Finally, we have received an invitation to utilize the RAAF Holiday Units on the Gold Coast and also at Merimbula on the South Coast of NSW. Prices are competitive and management would welcome all enquiries. [www.raafholidays.com.au](http://www.raafholidays.com.au)

Until our next News: "Stand easy"

Dave

(Bill a bit short this time but I am pretty busy moving house).
