President's Report #1 2018

Welcome all to our first report for the year. You would have observed that the name of our newsprint has changed. Some other things have also changed at our last General Meeting of the National Council; Group Captain Carl Schiller OAM CSC (Ret'd) was elected to fill the post of National President. Carl has a wealth of experience built up over two periods of enlistment with a total of 46 years of full time and reserve force service. He enlisted as a trainee COMSOP in 1964 and was commissioned in 1972 as an ADMINO.

ADSO/RSL Media Statement has been issued calling for the inclusion of the Commonwealth Superannuation Corporation in the Banking Royal Commission. This will be of interest to those receiving DFRDB, CSS or other payments from CSC a copy of that statement is included in this newsletter.

On the 16th February in company with our State Secretary, Arthur Jeeves, and his daughter I attended the Defence Community Organization twilight family expo at Adelaide Zoo. This expo is directed at Defence personnel who have recent arrivals in SA. There were many stall holders present and over One Thousand people attended. Our stall briefed interested members on the benefits of joining the Association and we received a lot of interest and hopefully, we may attract new members to the Association.

Please put the 31st May 1100hrs in your diary for Air Force Plaques and Bomber Command ceremony.

Until next time
