

RAAFA SA Strategic Plan 2019-2021

Our Mission

We are here to support the welfare of the Air Force family through Advocacy, Assistance, Camaraderie and Commemoration

Our Vision

To ensure that current and former Air Force members receive the veterans support they need and that their legacy is ensured for generations to come

Our Priorities

- *To provide advocacy in partnership with the broader veterans community*
- *To provide better representation and support for the Air Force Family*
- *To gain recognition as a recognised, effective and leading ESO*
- *That South Australia has a better understanding of the Air Force story and the State's contribution to that story*

Committed to our Air Force veterans and their families
